

The new ROHDE 2023/2024 ceramics price list provides prices for ROHDE series products, special equipment as well as controllers and accessories. In addition, the price list includes all services related to shipping.

Prices are given in Euro. Technical data, specifications, accessories, scope of delivery, prices and all other information are non-binding and subject to change without notice.

Our Conditions of Sale apply. You can find these on our website www.rohde.eu/agb or pages 34/35 of this price list.

ROHDE QUALITY 3-YEAR WARRANTY*

The Ceramics and Glass price list is valid as of 1st April 2023. All previous price lists are no longer valid.

ROHDE series products are distributed through selected specialist trade partners. Please visit www.rohde.eu to contact your local specialist.

*Applies to ROHDE kilns, machinery and equipment. Parts subject to wear are excluded from the scope of warranty.
